#### Features Key:

A Time-Free Play Experience There is no time limit to play.

Permanent Account and Items Store up to three customizations that will last throughout your gameplay experience.

A Vast World Full of Excitement An open field of endless possibilities, with diverse situation layouts and intricate design, that are as enjoyable to explore as they are challenging.

Climb to Find Your Own Virtues As you play, you might find yourself involved in dire situations. You might be powerless during tense fights and have to let your companions save you. Either way, over time you will gradually unlock new characteristics that you can use to increase your strength or magic.

An Epic Drama Born from a Myth A multilayered story that will unfold in fragments. An epic drama in which the various thoughts of the characters will intersect.

Connect to the Other Players In multiplayer, you will be able to directly connect with other players, so everyone will join in with your own actions and, sometimes, you will join in as a player with someone else.

An Evolved Collecting System Plot items will be awarded as rewards for your adventures. They can be exchanged for gold in an Item Shop.

Progressing Your Character As your strength and magic grow, they will allow you to progress your character. This system will include an item for you to upgrade your main weapon. Moreover, you can also evolve your rare weapons by collecting Special Arts, crafting items which can also be exchanged for gold.
