I was able to do this before with: [HttpPost] public void OrdemDeOrigem(HttpSessionState session) { var tst = session.IsNewSession? (from s in session.Roles select s.IsUserInRole("ANTES_DEL_TESTE")).Distinct() : session.SessionCookie.IsNewSession? (from s in session.Roles select s.IsUserInRole("DE_PRESO")) .Distinct() : session.SessionCookie.IsNewSession?

"Overall, it's a damn good game, and a great first entry on the PS4." - Enix "If you like the tactical turn-based RPG genre, you'll be fine." - IGN "The combat may be too complex for some, but it's a fun and rewarding experience, and it's only that aspect that's being praised." - VideoGameBrasil "It's a well-made RPG with excellent combat, a great story, nice art, and wonderful music." - GameBosu "The graphics and character models are very charming, and the RPG's story is rather interesting." - Gamestut "The combat is much better than is typical for such games, and the game's problem with difficulty is also acceptable." - GameZone "We've seen it all before, but done so well that it feels fresh and innovates to its own form." - TouchArcade "The story is well written and more importantly, it's both silly and educational, which is a tough balance to strike, but it's executed well." - GameShark "An interesting story with some great characters and a great musical score." - GameSpot "It's a good game, good for fans of the Final Fantasy series and others who want to explore the world of the Land Between." - XSEED "A great fantasy experience, and it's never too dark. You'll always find a way to be hopeful." - Gamefly "A polished high fantasy experience with beautiful graphics, a great soundtrack, and a story that's both emotional and full of action." - Polygon "Overall, Elden Ring is a great game that's well worth your time." - Game Revolution "Perfectly fine as a PS4 title, and one that's well worth the price of entry." - NerdCubed "Elden Ring is easily my favorite PlayStation 4 launch title thus far." - GameArea "I'd call this a masterpiece." - The Escapist "Elden Ring is a wonderful JRPG that takes me back to my childhood, but at the same time it will attract new players who never got into the genre. As long as you can look past its shortcomings it is absolutely worth playing!" - GameInformer "Eld bff6bb2d33
